...the drone hovered just a few feet away,

drone bone

capturing footage of yours truly for its perverted pilot

“Sorry, honey,” my husband told me, “but I can’t make it. Not today. I’m swamped.”

I sighed heavily into the phone. “Are you sure?”

“I’m afraid so.”

There was no changing Jeff’s mind. His matter-of-fact tone made this painfully clear. He wouldn’t be coming home for lunch today. I was on my own.

“And don’t worry about dinner,” he added. “I’ll be working late tonight . . .”

The conversation was becoming all-too familiar. It was official. My husband had become a workaholic. We rarely even saw one another. He left each morning while I was still asleep, returning each night after I had hit the sack.

His was a stressful job, a high-pressure position with a prestigious law firm. Of course, he made a lot of money. We had a fantastic house in a spectacular neighborhood, a swimming pool, three brand-new cars, anything and everything a person could possibly want.

Still, I was far from fulfilled.

All the money in the world didn’t count for much when you were lonely. And I was definitely lonely.

No sooner had I gotten off the phone with Jeff than I went to the bedroom and changed into my favorite swimsuit, a designer cherry-red bikini I had picked up at the most exclusive boutique in town.

Standing before the full-length mirror in a walk-in closet filled with clothes, I turned this way and that, admiring my fine figure. Mine was the slender body of a runway model. In fact, I had done some modeling while attending college in New York City.

What was wrong with Jeff? How could he resist this? My husband hadn’t fucked me in over a month. I wondered for the umpteenth time if he was having an affair. Perhaps, I reasoned, he was banging that new secretary of his. Her tits were a lot bigger than mine, her hips full and curvy. Compared to her, I was a flat-chested beanpole. But a lot of guys, Jeff included, preferred skinny

women. At least that’s what he had always told me.

Hoping his taste hadn’t changed, I opened the French doors leading to the patio. Donning sunglasses and espadrilles, a canvas tote bag slung over my shoulder, I skirted the pool’s edge enroute to a sun lashed chaise lounge

It was a beautiful sunny day. Not a cloud in the sky. Perfect for catching some choice rays.

And that’s exactly what I did.

Until being rudely interrupted by a drone!

The thing looked like some sort of oversized mechanical mosquito as it flew over our property, buzzing like a bee, and made a few passes over the back lawn before stopping to hover a few feet above the pool. My surprise promptly turned to indignation when I realized that the drone was a flying voyeur being piloted by a tech-savvy Peeping Tom.

I closed my legs and extended my middle finger. “Up yours, asshole!”

Still, the drone hovered just a few feet away, capturing footage of yours truly for its perverted pilot. I saw the prick in my mind’s eye, saw him standing somewhere nearby with his remote-control device, no doubt leering like a real creep.

“Go on! Get the fuck out of here!”

I must’ve looked like an unhinged nut out there by the pool, waving my arms crazily and screaming at a flying camera. Finally, the damn thing left me alone. It was with much relief that I watched it fly away and disappear over the ivy-covered brick wall separating our property from the next-door neighbor’s.

I lay on the chaise lounge and tried to resume sunbathing, tried and failed miserably. I was too keyed up. The strange ordeal had frazzled my nerves in a major way. And I had a pretty good idea who was responsible for so brazenly invading my privacy . . .

Curtis Eaves, the neighbor’s teenage son, had recently returned home from college for the summer. Today’s prank had his name written all over it. Karen Eaves had told me that her overachieving son was majoring in some kind

It took some doing but I managed to compose myself and find my voice. “I don’t appreciate you spying on me with that drone of yours. What you did was a major invasion of my privacy . . .”

I let my harsh words hang there between us, hoping for an acknowledgment followed by a sincere apology.

I got both.

Then, the wheels in my head spinning naughtily, I asked him if I could come inside for a drink.

He regarded me strangely. “Drink?”

“It’s the least you can do,” I told him.

“It’s a little early, don’t you think?”

“It’s five o’clock somewhere.”

“True.”

“Come on, Curtis. It’s hot out here. One drink.”

“Okay, Mrs. Barham. You talked me into it.”

He ushered me inside a house which was just as impressive as my own. And the place was all ours as his parents were at work. He fixed me a stiff gin and tonic, garnishing the cocktail with a cucumber slice. The gin was top shelf with a subtle hint of rose. He opted for a bottle of Mexican beer. We sat on padded stools in the kitchen and had a chat.

Curtis apologized a second time, adding that he would delete the drone footage.

“What were you planning on doing with it?” I asked him.

I knew the answer, of course.

Spank fuel. Being home for the summer, home and cut off from a vibrant college social scene, Curtis had to be bored out of his skull. And more than a little horny.

“Well—um—er,” he hemmed and hawed.

I got a kick out of making him squirm. His face turned red. Still, I pressed the issue. The little pervert deserved to be uncomfortable after that drone stunt of his.

“I was just bored, you know.”

“Bored,” I stated bluntly.

He took a hit of beer. “There’s nothing to do around here. I should probably get a part-time job.”

“You still haven’t answered my question.”

“Come on, Mrs. Barham. Give me a break.”

“I’d rather give you a blowjob.”

The look on his face was priceless. He was stunned. As for me—well, I had meant what I said. I was eager

of engineering; the drone had to be his.

Determined to give the kid a good talking-to, I wrapped the towel around my waist and hastened to the Eaves’s house. I rang the doorbell repeatedly before Curtis finally opened the front door.

“Hello, Mrs. Barham,” he greeted me politely. “Can I help you?”

“You sure can—”

I paused in midsentence, my tongue tied as I regarded the impressive specimen framed in the doorway. Curtis had done a lot of growing up since I had last seen him. Now he was tall and muscular, his handsome face unlined and chiseled. His brown hair was long and fashioned in a Samurai bun. Shirtless and shoeless, he wore a pair of board shorts which hung low on his narrow hips.

to have his dick in my mouth, for starters . . .

“Let’s view it together,” I told him, referring to the footage. “I want to watch you stroke your cock.”

“Are you serious?”

“Come on, Curtis. Before I change my mind.”

I followed him through the house and into the backyard. The Eaves’s swimming pool was bigger than ours. They had a nice cabana with a striped awning. A picnic table held Curtis’s electronic toys. He sat at the table, connected the drone to his laptop, and downloaded the footage. I stood over his shoulder and watched myself on the small screen. Not to brag, but I looked damn good stretched out on a chaise lounge in my red bikini.

Curtis certainly thought so. He unzipped his board shorts, whipped out his cock, and proceeded to mas-

My feet dangling inches from the ground, I leaned back and spread my legs. Curtis’s height enabled him to stand there and fuck me easy as you please. The table shook and shimmied as he banged my box.

turbate with a herky-jerky pumping motion. No doubt he was mentally undressing me, imagining himself fucking me on the chaise lounge, thrusting between my legs as I writhed beneath him. It wasn’t long before my recorded-self gave his drone the bird. This excited him even more. Panting raggedly, he stroked his cock faster and faster, so fast that I had to stop him.

“Save some for me,” I told him, removing the towel from around my waist.

Then I took off my bikini. Curtis swiveled on the bench, sitting with his back to the table. I helped him out of his shorts. His prick was beautiful. I crouched and sucked him eagerly, sloppily, polishing his teen tool until it was rigid and ready for my pussy.

Having straddled him, I parted my cunt with both hands and lowered my slender hips. Watching his cock disappear inside me, inch by inch, was a major turn on. Properly impaled, I rocked and gyrated in his lap.

Mine was a slow ride.

Until it wasn’t.

I progressed to a wild pogoing on his pole, bouncing crazily; this while Curtis held my 22-inch waist. He seemed perfectly content to finish in this manner, but I had another idea.

I climbed out of the saddle and padded to the end of the picnic table where the bench wouldn’t get in his way. The smooth wood, warmed by the sun, felt nice

beneath my taut tush. My feet dangling inches from the ground, I leaned back and spread my legs. Curtis’s height enabled him to stand there and fuck me easy as you please.

The table shook and shimmied as he banged my box. His electronic toys clattered, and I feared one or more of them might fall and break. Thankfully this didn’t happen. Oblivious of it all, Curtis kept right on fucking me, ramming his rod into my cunt with everything he had.

Which was more than enough.

For both of us.

I came seconds before he pulled out and dumped his sizable load on my stomach.

“You can watch me de-

lete the footage,” Curtis told me after we had gotten dressed. “For your own peace of mind.”

Once again, he sat at the picnic table and started working on his laptop. At least until I told him to stop.

“I changed my mind, Curtis.”

He stopped typing.

“Keep the footage,” I said. “For your own personal use, of course.”

He searched my face. “Are you sure?”

“Positive. I overreacted.”

“If you say so.”

“I’m flattered. In fact, be on the lookout for more footage. I plan on doing a lot of skinny dipping in the next few weeks.”

He smiled. “Cool. Thanks, Mrs. Barham.”

I saw a lot of Curtis and his drone that summer. And he saw a lot of me. On a computer screen.

And in the flesh.

LATE NIGHT ANTICS

His fingers were so welcome by this point and I didn't give a fuck if there were other people watching.

As a student, I work hard for little money and any extra is always welcome. I work at a very busy, trendy bar in the, what we call, the party district just off the campus at the University of Texas. After a unusually slow night at the bar, the owner, Carlos, suggested we lock up early. He said the remaining staff and a few friends could stay and party down since it was the holidays and pretty cold outside. After midnight we all started drinking, which we aren't allowed to do while on our shifts, and so we were all getting along quite well. A couple that were friends with the owner were getting drunk quicker than the rest of us, and since they didn't have to work, they got a head start on the booze. They were sitting at a high table in the middle of the bar area, kissing and touching each other, and getting the rest of us turned on as we couldn't help but watch.

For the last few weeks, Carlos, who was also the head bartender, had been giving me the eye, and apparently tonight he decided he wasn't going to wait any more. We were all chatting away and many started teasing and touching each other, getting more and more turned on. There was always sexual tension between the staffers and tonight it seemed ready to explode. Even I was getting a bit horny as the booze and eye candy were taking effect. I was getting moist and my clit was screaming to be rubbed. I really didn't care who did it, as long as someone did. As soon as one of the other waitresses got up from the bar stool next to me, Carlos came over and started small talking me.

I must have said the right things because the next thing I know his hand is between my legs, feeling the small wet spot that had started to soak my undies. He rotated the bar stool so I faced him and lifted up my short skirt, pushing his hand down my panties. His fingers were so welcome by this point and I didn't give a fuck if there were other people watching. One of the other waiters walked over to us, took my hand and placed it on his huge cock that was already sticking out of his pants. I held it in a vise-like grip and started pulling on it, feeling it getting bigger with every stroke. And as I leaned forward, down to his cock, I sensed his whole body shake. He knew he was going to get a bj, but up until now, I'm sure he never thought it would be from me since he was gay!

Suddenly, we heard loud screams and groans from that couple in the middle. She had climbed up on the tall table and was on her back, pantyless as her friend was eating her out. She stopped moaning and they switched places. He sat up on the table, pants off, legs spread wide resting on a couple tall chairs as she settled between them and started sucking on his dick. I watched for a minute, then her head disappeared lower, probably to suck on his balls, and then I went back to my two guys. I grabbed the waiter's cock hard and pulled it to my mouth. I heard him moan; how long had he had this hard on? It was fucking rock hard, and he was loving my mouth around it, sucking it and stroking it hard with my hand. By now Carlos wanted in on the action, so without hesitation he pulled me up, pulled my panty aside and sat me on his massive

cock. With hot juices dripping from my pussy, I slid onto it nice and easy.

The guy I was blowing couldn't believe it, he was being sucked off while I was being fucked, and I was sucking at his cock so hard, he spurt all his stuff in my mouth, cum sliding down the side of my face. By now the couple were fucking like mad. She had been screaming with every orgasm, and he was shooting cum all over her face. I was bouncing up and down being fucked really hard, and came again and again. My pussy and clit were on fire, my body was shaking and I couldn't control it.

My orgasms were huge, one after the other, bang, bang! Carlos couldn't hold his cum any more and threw me off him and stood over me. I felt helpless that this guy was going to shoot one hell of a load all over me. His cum came out like a raging waterfall, covering me and hitting my face. I was licking my lips, getting a good taste of it, loving it, all sticky and thick.

I didn't stay working at the bar much after that, I had my fun with the boss but his flirting with me began to piss me off. I decided to slip him my number in his back pocket and told him to call me in a year, and walked away. He did call me, but my husband answered the phone, so, I never heard from him again after that.

SHELLI SUCKS

I went outside to check out my brother's new girlfriend. Actually he said she's not his girlfriend, just a girl he picked up at a frat house and they've been 'partying' for a week now. If that was the case, why did he bring her home during spring break? I think I know but didn't care. Her name was Shelli and she was tanning out by our pool.

She saw me walking on the pool deck and motioned me over. "Would you be a dear and rub some of this lotion on my back?" she said holding out the sunscreen bottle. While I was rubbing the lotion, I worked it a little lower down her topless back to her ass and noticed I was getting a boner bulging against my shorts! Shelli rolled over in the lounge and noticed the protuberance. She looked up at me and smiled and asked if she could see it. At first I said 'no' but my small head then too over and made me ask where my brother was. She said he went to the baseball game an hour ago.

When she finished rolling over, her beautiful full breasts came into glorious view. Without missing a beat she again took the bottle of lotion and handed it to me, cooing to rub it on her chest. As she put the bottle back, the back of her hand brushed across my boner. Her hand came back and slid up my board shorts searching out my erection. As I rubbed the lotion on her chest, she found my woody and started playing with it. I touched her nipples and they responded by getting harder, like little pencil erasers. I massaged her breasts and she massaged my cock under my shorts. Then suddenly she pulled her hand out and sat up. She grabbed my waistband and said "These won't do. They gotta go," and in one swift yank they were down at my ankles. She nuzzled her full lips along the length of my hard cock. She pushed it up against my belly and her warm tongue was licking my balls.

She was making those slurpy, sucking noises that drove me crazy. I came in her mouth and she swallowed all. I wanted to push her down on her back, spread those smooth legs apart and do some long, slow meaningful strokes in her magnificent pussy. Maybe later I will.
